4 October 1982

NOTE TO: Acting Director of Central Intelligence  
Executive Director  
Chairman, National Intelligence Council

Attached is a draft response to Anne Armstrong commenting on the copy of Sy Weiss' conversations with a number of policymakers. Before sending this up to the Director I would appreciate your comments/suggestions on the draft. We have had the letter for a little over two weeks so I would propose to have the package ready for Bill upon his return and thus would appreciate your comments as quickly as convenient.

Robert M. Gates

(Harry -- I would appreciate your preparing and attaching to this draft the list of NIEs, SNIEs, IIMs referenced in the proposed letter.)
